The Interesting Back Page :

IJM Our Mission Partner this month: **International Justice Mission**

We are so excited to welcome Georgie Hubbard from IJM to our 10:15am service this week to tell us more about IJM, how we can be involved and dig into Luke 4 to show us why Justice is the business of Jesus followers

'An update from IJM: Tech that Protects and the European Anti-Trafficking Programme

As a UK team this year, we have been working on our Tech That Protects campaign, which aims to stop livestreamed child abuse before it starts. This campaign exists because 1 in every 100 children in the Philippines is a victim of online sexual exploitation, while the UK is in the top three global consumers of livestreamed child sexual abuse. Our advocacy team has been calling on the UK government to enact legislation that requires all devices sold in the UK to include on-device safeguards. These can detect and disrupt livestreamed child sexual abuse—stopping it before it starts. Please pray that IJ supporters would continue to write to their MPs, bringing increased awareness to this issue. Please also pray for our advocacy team as they meet with government individuals, navigate the details of national policy, and engage in parliamentary processes to keep pushing for this legislation. Please pray for the restoration and wellbeing of the children who have been brought to safety from this specific kind of violence.

IJM's European Anti-Trafficking Programme also continues to expand into new countries, building a coordinated response to cross-border trafficking in Europe. We are currently supporting 155 survivors, including those in active cases in Romania and Bulgaria, as well as survivors that IJM is assisting through our response to the Ukrainian Refugee Crisis Project. Our teams in Poland, Romania, Hungary and Bulgaria also continue to work towards system-level change alongside governments, local partners, community leaders, and survivors to protect vulnerable children, women and men from trafficking. Let's thank God for how He is growing the EATP and using it to bring His justice, and let's pray for ongoing recruitment within IJM's teams in Poland and Bulgaria.'

Loveworks Foodbank needs this week

- Tinned meat - ham or corned beef
- Tinned fruit
- Tinned vegetables
